

## Toroidal Core Winding Machine

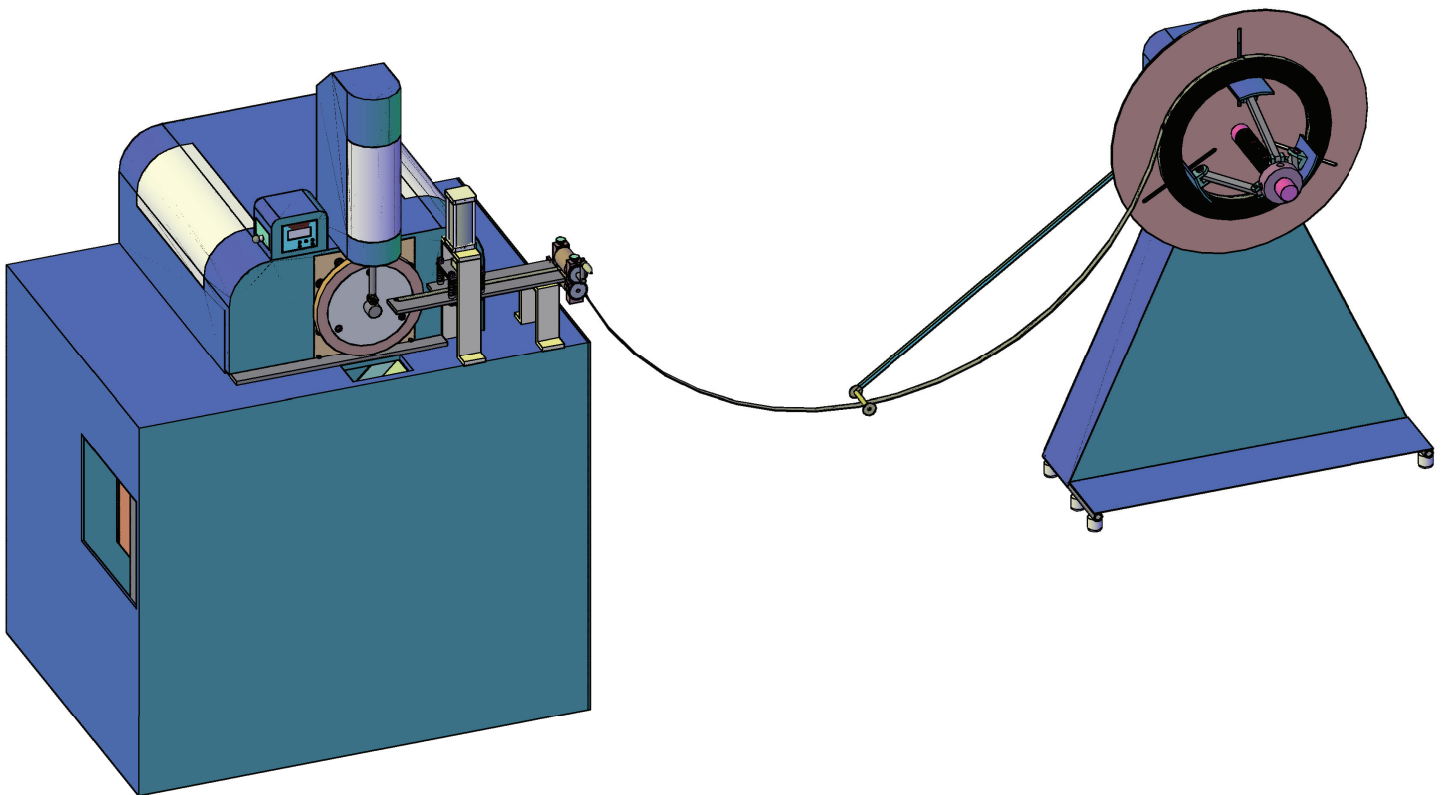

Manual Semi Automation include decoiler  
to produce toroidal Grain Oriented Silicon Steels cores

Tape width:..... min. 8mm, max. 100mm,  
Core inner diameter:..... min. 20mm  
Outer diameter:..... max. 220mm

- Hydraulic core ejection unit
- Core pressing roller
- Hydraulic strip cutting unit
- Hydraulic hole punching unit
- Manual TIG welding unit
- Decoiler unit
